

# SCAPPA MONTHLY MEMBER HIGHLIGHT:

## JESSIE MARLOWE

### **What do you enjoy doing in your free time?**

I love just being active, so going out and doing things is a must for me. Whether it's going to the Riverwalk in Conway and walking around, enjoying the beautiful scenery, or swimming, dancing, going to the beach, playing volleyball, or boating. Pretty much anything outdoors. I also enjoy being in my hometown, sitting outside with my family, enjoying the warm weather. With all of that being said, the thing I enjoy most is spending time with my son and my husband. I live for the moments that I can be with my sweet baby boy.

### **What is your favorite place to visit?**

I love going anywhere tropical. I want to see the world and usually choose tropical places to visit. If I had to pick, though, visiting Costa Rica has been my favorite so far.

### **What is your favorite food?**

There is nothing better than a home cooked, southern/country meal. I also love Japanese food.

### **What is something interesting about yourself?**

I definitely peaked in high school for most interesting things about me, so with that being said, I was in the Miss South Carolina Teen USA Pageant, I was Captain of the Cheerleading Squad, I helped promote volleyball as a sport at my school, but didn't get to play when we finally got it (because I was too busy cheering), and I was the Sports Anchor on our news team. More currently, I have a lifestyle blog. It started as a style blog, but when I had Lincoln, it turned into a lifestyle blog in which I post things about fashion, family, food, etc.

### **What do you enjoy most about your job?**

I enjoy the people in which I interact: my co-workers, colleagues, community stakeholders, and members of the community.

### **How long have you worked in this field?**

I have been in the field for 6.5 years!
